

Navigating the Digital World: Exploring Digital Navigator Programs Across the Commonwealth

Resources

- The National Digital Inclusion Alliance (NDIA) has a wealth of resources on digital navigator programs at <https://www.digitalinclusion.org/digital-navigator-model>. This includes a toolkit, process explainer, sample job descriptions, and even a digital navigator program listserv.
- Northstar Digital Literacy <https://www.digitalliteracyassessment.org/>
- Statewide 211 data <https://pa.211counts.org/>
- Asset Limited, Income Constrained, Employed (ALICE) data by county, legislative district, state, and national viewpoint <https://www.unitedforalice.org/>
